

SOLE TRADERS, SMALL BUSINESSES AND FLEETS

BUSINESS CLUB *KEEPING YOUR BUSINESS ON THE ROAD*

BUSINESS CLUB

BUSINESS CLUB: WHEN YOUR VEHICLE IS VITAL

When you're out on the road every day or managing a small fleet Business Club could make the running of your business vehicles that bit easier.

What is Business Club?

It aims to keep you on the road and moving at all times, with highly competitive pricing, regular promotions, and offers that compete with the strongest of retail offers which aren't normally available to business customers.

With two offers to choose from you can be confident you are getting the right level of support for you and your business and paying for the services you use and not for those you don't.

Who is it for?

Trades professionals

Plumbers - Painters - Carpenters

Electricians - Plasterers

Florists

Delivery companies & drivers

Logistics companies

Removal companies

Dog groomers

Mobile valets

*...any business that requires
a company vehicle!*

TWO OFFERS TO CHOOSE FROM, CHOOSE WHICH IS RIGHT FOR YOU AND YOUR FLEET/BUSINESS:

1. BUSINESS CLUB

IDEAL FOR BUSINESSES WITH ONLY A FEW VEHICLES

Our most competitively priced business account

- Preferential business customer priced MOTs – Class 4 only £34 and Class 7 only £42
- Exclusive trade cash account pricing for Business Club customers including highly competitive prices on all servicing, maintenance and repair work such as brakes and exhausts
- FREE digital vehicle health checks, with no obligation, every time you come in to centre minimising avoidable problems taking your vehicles off the road

2. BUSINESS CLUB+

ENHANCED SUPPORT FOR SMALL FLEETS

Our value-added business account with 30 day credit terms and a host of other support features (subject to credit check)

- Preferential business customer priced MOTs – Class 4 only £34 and Class 7 only £42
- Exclusive trade credit account pricing for Business Club customers including highly competitive prices on all servicing, maintenance and repair work such as brakes and exhausts
- FREE no-obligation vehicle health checks every time you come in to centre. Minimise avoidable problems taking your vehicle off the road with a digital snapshot of your vehicles health
- Access our 2 Tier mobile service – Emergency and Standard (Subject to call out fee and availability)
- Standard reporting (digital)
- Stay in control of costs - by setting a customer instruction agreement in advance you can avoid unexpected costs by specifying a tyre brand policy and preference for your fleet
- Digital invoicing for your records
